Guided Prayer and Spiritual Exploration

The Week is an opportunity for people to learn more about prayer and explore their spirituality. This offering is an experiential event. Guided prayer and spiritual exploration are not reading about God, but developing, deepening and exploring a relationship with God. Listening, reflection and awareness are at the heart of this week.

During the week you will be paired with an experienced guide, with whom you will meet daily for about 30 minutes. Your guide will suggest scripture passages, texts (poems, stories), art activities and/or meditations to explore and/or pray with. Each day you will share your experience, and experiment with specific ways to meet God meaningfully.

The Week of Guided Prayer and Spiritual Exploration is a gift you give to yourself and God.
